

## Directions to Silver Falls Star Party Aug 11 2007

Turn off Highway 214 into the overnight side of the park - follow the signs along the highway towards the Conference Center.

Go past the registration booth, take a left at the T-intersection, take the next left (the sign says Ranches and Silver Creek Youth Camp). Follow that road about one mile and take another left towards the Ranches.

You will then see the road continue ahead or turn to the right - go straight ahead. You will find the Old Ranch around the next corner.

Park Staff will have signs up by late afternoon/early evening - so follow them and you'll have no problem finding the place.
